

# Payroll and HR, shaped around your business

A short conversation. A relevant walkthrough.  
A clear brief for your pricing discussion.

Your priorities guide what we explore together.

# Your business comes first

## What needs to get easier?

Payroll administration • Hiring and onboarding • Time tracking  
Employee questions • Benefits administration

We will connect the right services to your priorities.

# Choose how the work gets done

## AsureCentral

Your team runs payroll and HR  
with connected software and Luna AI.

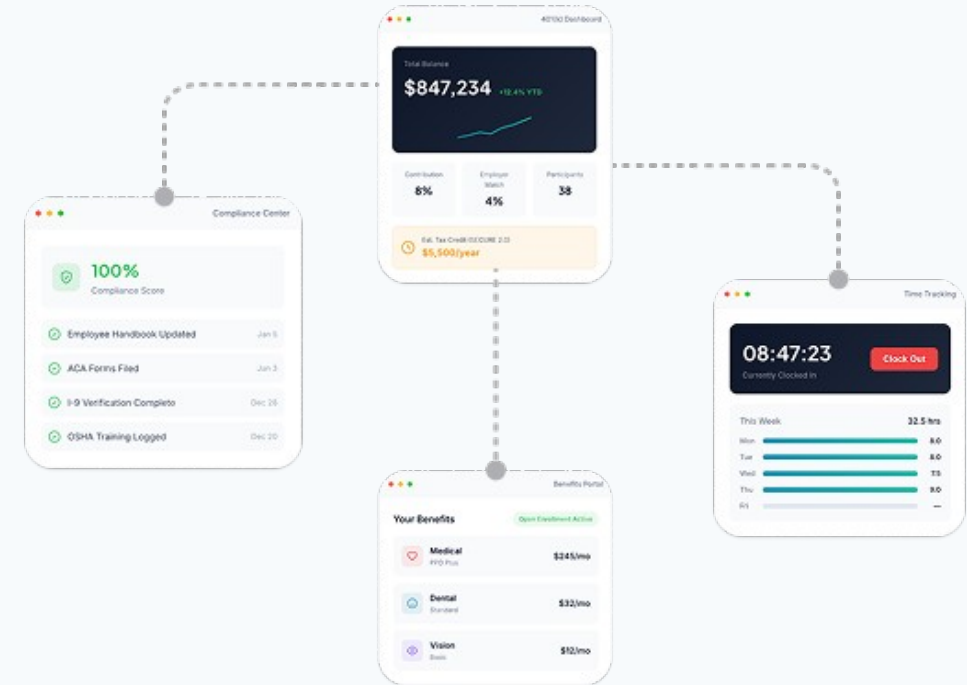

## AsureWorks

Asure specialists handle payroll  
and routine HR administration.  
You remain the employer of record.

# One place for everyday workforce tasks

Payroll and HR  
Time and attendance  
Employee self-service  
Recruiting and benefits

Luna helps users find answers  
and move work forward.

# A closer look at your priority

## Payroll

Review pay inputs,  
manage payroll,  
and access reporting.

## Onboarding

Guide new hires  
through records  
and paperwork.

## Employee access

Give employees  
access to pay history  
and tax documents.

Which of these would make the biggest difference for your team?

# The information behind an accurate quote

## Company size and footprint

Employees, states, locations, entities  
Pay frequency and workforce mix

## Services and implementation

Software or managed service  
Current systems, priorities and timing

Asure sales confirms scope, integrations, fees and final pricing.

# Your conversation becomes a clear next step

## Review your summary together

Your priorities and recommended services  
The details sales needs to prepare pricing  
Open questions that still need confirmation
